

EXTREMELY RUGGED TABLET, AND IDEAL FOR PROFESSIONALS WHO WORK IN EXPLOSIVE ATMOSPHERES

Multiply your activities and optimize your work with the i.Safe IS930.1 tablet. Its large 8" screen makes for ergonomic use and comfortable viewing. This tablet will accompany you wherever you go, whatever your professional environment.

Not only drop-resistant, your tablet is also water- and dust-resistant to IP68 standards, guaranteeing protection against the harmful effects of water and dust. It can withstand temporary immersion for 30 minutes at depths of up to 2 meters.

Its Wi-Fi connection enables you to surf the web, check your e-mails, send quotes, and all other actions useful to your business. Powered by Android 8.0 and powered by an Octa-Core 2 GHz processor and combined with 32 GB of internal memory (expandable via a micro SD port), you won't lack for memory or fluidity.

Battery	8400 mAh
Warranty	2 years (6-month battery)
ATEX approval	II 2G Ex ib IIC T4 Gb II 2D Ex ib IIC T35°C Db IP6X
Sealing standard	IP68

APPLICATION DESCRIPTION LWP - PTI ISAFE

LWP is a simple application for managing PTI alerts. Its menu is in English, but the setup procedure is provided in French.

SETTINGS FOR SMS ALERT

You can pre-configure up to 5 emergency numbers and a free choice of text to send an SMS alert. If you have also activated the location function on your mobile, each SMS sent will also contain GPS coordinates.

CONTACT SETTINGS

You can pre-configure up to 5 emergency numbers. The call is made immediately and hands-free. After 8 tones, if there's a busy signal or no answer, the application immediately calls the next number in the list. This is repeated until a conversation is established.

MOTION ALERT

You can choose between 3 types of alarm: "Vertical 45° alarm" (alerts at 45° incline), "Falling alarm" (alerts in the event of a fall), "No moving alarm" (alerts in the event of immobility).

THE TABLET COMES WITH :

Built-in battery, charger, i.safe PROTECTOR USB cable, i.safe PROTECTOR USB-magnetic charging cable, quick manual and safety instructions.
